3 Night Summer Getaway 2026

This Summer avoid the Airports and Fuel Surcharges and visit **“One of the Best”**

Seaside towns in the Country as voted by readers of Which magazine.

Our Victorian seaside town has many original buildings and features, including our Victorian pier. The last remaining Pier in Yorkshire stretching over 400m into the North Sea, and the oldest water balanced Funicular Cliff Tramway, along with The Valley Gardens opposite the hotel, and the beach is just a 6 minutes' walk. Many independent shops around the town square, and near to the railway station, where trains to London (with 1 change) take three and a half hours, on the East Coast Main Line.
